## DELISH DISH

Sipping and sampling at OKT's offices

**O**K!'s Manhattan headquarters was the place to be on Aug. 25, as **Michael Schulson** — executive chef and partner at the Borgata Hotel Casino & Spa's Izakaya restaurant in Atlantic City, N.J. — stopped by with some noshes for the magazine's VIP pals. Guests sipped Yuzu pineapple mojitos while nibbling ahi tuna lettuce cups, edamame dumplings, broiled king crab legs and crispy rice-cracker tuna. Wish you could have joined the party? Why not catch Michael when he hosts *Ultimate Cake Off*, which airs Mondays at 10 p.m. on TLC.
